This Privacy Policy discloses the privacy practices for our website, [www.chicconsignment.com](http://www.chicconsignment.com) (our Site). This Policy applies solely to information collected by our Site. It sets out how we will treat and use any personal data we collect from you or that you provide to us.

### **Information Collection and Use**

We are the sole owners of the information collected on our Site. We may collect and process information you provide when subscribing to our mailing list, posting material, or requesting or subscribing to other services. If you contact us, we may keep a record of that correspondence. We only have access to, and collect information that, you voluntarily provide by email or other direct contact from you.

The server on which our Site is located collects and saves only the default information customarily logged by web server software. Such information may include the date and time of your visit, the originating IP address, and the pages and images requested.

Like most Web sites, our Site also collects and logs information automatically and through the use of electronic web beaconing tools that may be transparent to you, such as your IP address, the name and location of your Internet Service Provider, the type and version of your browser, the length of time that you stay on our Site, search queries, your click-stream data, the location that referred you to our Site, and the average number of pages viewed.

If you visit another Web site prior to browsing our Site, that Web site might place information within a URL, such as search queries, which we then may log. Your IP address is the identifier assigned to your particular computer when you access the Internet. Depending upon how you connect to the Internet, your IP address may always be the same or it may change each time you access the Internet. Note that logging your IP address does not provide us with personally identifiable information such as your name, e-mail address, or home or work address. This is statistical data about our users' browsing actions and patterns, and does not identify any individual.

### **Information Use**

We will use your information to respond to you regarding the reason you contacted us. Unless you ask us not to, we may also contact you by email in the future to tell you about specials, new products or services, or changes to this Privacy Policy.

We may also use the information held about you to:

- personalize your experience and ensure that content from our Site is presented in the most effective manner for you and for your computer.

- improve customer service and provide you with information, products, or services that you request from us or that we feel may interest you, where you have consented to be contacted for such purposes.
- carry out our obligations arising from any contracts entered into between you and us.

### **Use of Cookies**

Our site uses cookies to distinguish you from other users of our website. This helps us to provide you with a better experience when you browse our website and also allows us to improve our Site.

### **Disclosure of Your Information**

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. However, non-personally identifiable information may be provided to outside parties for marketing, advertising, or other uses.

Please note that we may disclose your personal information if we are under a duty to disclose or share your personal data in order to comply with any legal obligation, or in order to enforce or apply our Site policies, or to protect our rights, property, or safety, or those of our customers or others.
